FLOOR DEBATE

January 22, 2002 LB 857, 858

passed the bill that we did, and why it needs to be revised as Senator Coordsen has asked us to. I join Senator Chambers in voting for this Revisor's bill and I'm glad that we took the step that we took this last year with dealing with viatical settlements. Thank you.

SPEAKER KRISTENSEN: Senator Coordsen, you're recognized to close. Senator Coordsen waives the opportunity to close. The question before the body is the advancement of LB 857. All those in favor vote aye; all those opposed vote nay. Record.

CLERK: 33 ayes, 0 nays, Mr. President, on the advancement of LB 857.

SPEAKER KRISTENSEN: LB 857 advances. We next move to LB 858. Mr. Clerk.

CLERK: LB 858, Mr. President, by Senator Coordsen, as Chairperson of the Executive Board. (Read title.) The bill was introduced on January 9, referred directly to General File.

SPEAKER KRISTENSEN: Senator Coordsen, you're recognized to open on the bill.

SENATOR COORDSEN: Thank you, Mr. Speaker. Members of the body, LB 858 is a bill that transfers a section of law or two sections of law into a different section to make it more easy to read. It has to do with dipping animals that are infected with scabies, and if you would wish to have a detailed explanation or perhaps even not a detailed explanation of the effect of scabies, the cause, the results, I would turn to my able aide, Dr. Dierks, to carry out on that. But in the absence of a need to have that particular disease explained in detail, I would share with you that the bill transfers two sections relating to domestic animals and under the section of this bill they would be assigned to within Statute Sections 54-701 to 54-753. Would make again statutes easier to read. With that, I would move for the advancement of LB 858 to Select File, E & R Initial.

SPEAKER KRISTENSEN: Debate on the advancement of the bill? Senator Chambers.
